

## Contribution License Agreement (version 1.1, March 26, 2021)

Thank you for your interest in contributing to open source software projects made available by Siemens AG or its affiliates (“**Siemens**”). When you sign a Contribution License Agreement (CLA), you give Siemens the legal permission to use and distribute your contribution. You do not surrender ownership of your contribution, and you do not give up any of your rights to use your contribution elsewhere.

This Contribution License Agreement (“**Agreement**”) is agreed to by the party signing below (“**You**”), and conveys certain license rights to Siemens for Your contributions to Siemens open source projects. This Agreement is effective as of the signature date below.

1. **Definitions.** “**Code**” means the computer software code, whether in human-readable or machine-executable form, that is delivered by You to Siemens under this Agreement.

“**Project**” means any of the projects owned or managed by Siemens in which software is offered under a license approved by the Open Source Initiative (OSI) ([www.opensource.org](http://www.opensource.org)) and documentation offered under an OSI or a Creative Commons license (<https://creativecommons.org/licenses>) and for which Siemens defines this Agreement as a requirement.

“**Submit**” is the act of uploading, submitting, transmitting, or distributing code or other content to any Project, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the Project for the purpose of discussing and improving that Project.

“**Submission**” means the Code and any other copyrightable material Submitted by You, including any associated comments and documentation, specifications, data, materials, feedback, information or other works of authorship.

2. **Your Submission.** You must agree to the terms of this Agreement before making a Submission to any Project. This Agreement covers any and all Submissions that You, now or in the future (except as described in Section 4 below), Submit to any Project.

3. **Originality of Work.** You represent that each of Your Submissions is entirely Your original work. Should You wish to Submit materials that are not Your original work, You may Submit them separately to the Project if You (a) retain all copyright and license information that was in the materials as You received them, (b) in the description accompanying Your Submission, include the phrase “Submission containing materials of a third party.” followed by the names of the third party and any licenses or other restrictions, and (c) follow any other instructions in the Project’s written guidelines concerning Submissions.

4. **Your Employer.** References to “employer” in this Agreement include Your employer or anyone else for whom You are acting in making Your Submission, e.g. as a contractor, vendor, or agent. If Your Submission is made in the course of Your work for an employer or Your employer has intellectual property rights in Your Submission by contract or applicable law, You must secure permission from Your employer to make the Submission before signing this Agreement. In that case, the term “You” in this Agreement will refer to You and the employer collectively. If You change employers in the future and desire to Submit additional Submissions for the new employer, then You agree to sign a new Agreement and secure permission from the new employer before Submitting those Submissions.

### 5. Licenses.

a. **Copyright License.** You grant Siemens, and those who receive the Submission directly or indirectly from Siemens, a perpetual, worldwide, non-exclusive, royalty-free, irrevocable license in the Submission to reproduce, prepare derivative works of, publicly display, publicly perform, make available to the public by wire or wireless means, and distribute the Submission and such derivative works, and to sublicense or transfer any or all of the foregoing rights to third parties.

b. **Patent License.** You grant Siemens, and those who receive the Submission directly or indirectly from Siemens, a perpetual, worldwide, non-exclusive, sublicensable, royalty-free, irrevocable (except as stated in this section) and transferable license under Your patent claims that are necessarily infringed by the Submission or the combination of the Submission with the Project to which it was Submitted to make, have made, use, offer to sell, sell and import or otherwise dispose of the Submission alone or with the Project. If any entity institutes patent litigation against You or any other entity (including a cross-claim or counterclaim in a lawsuit) alleging that your Submission, or the Project to which you have contributed, constitutes direct or contributory patent infringement, then any patent licenses granted to that entity under this Agreement for that Submission or Project shall terminate as of the date such litigation is filed.

c. **Other Rights Reserved.** Each party reserves all rights not expressly granted in this Agreement. No additional licenses or rights whatsoever (including, without limitation, any implied licenses) are granted by implication, exhaustion, estoppel or otherwise.

**6. Representations and Warranties.** You represent that You are legally entitled to grant the above licenses. You represent that each of Your Submissions is entirely Your original work (except as You may have disclosed under Section 3). You represent that You have secured permission from Your employer to make the Submission in cases where Your Submission is made in the course of Your work for Your employer or Your employer has intellectual property rights in Your Submission by contract or applicable law. If You are signing this Agreement on behalf of Your employer, You represent and warrant that You have the necessary authority to bind the listed employer to the obligations contained in this Agreement. You are not expected to provide support for Your Submission, unless You choose to do so. UNLESS REQUIRED BY APPLICABLE LAW OR AGREED TO IN WRITING, AND EXCEPT FOR THE WARRANTIES EXPRESSLY STATED IN SECTIONS 3, 4, AND 6, THE SUBMISSION PROVIDED UNDER THIS AGREEMENT IS PROVIDED WITHOUT WARRANTY OF ANY KIND, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTY OF NONINFRINGEMENT, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE.

**7. Notice to Siemens.** You agree to notify Siemens in writing of any facts or circumstances of which You later become aware that would make Your representations in this Agreement inaccurate in any respect.

**8. Information about Submissions.** You agree that contributions to Projects and information about contributions may be maintained indefinitely and disclosed publicly, including Your name and other information that You submit with Your Submission.

**9. Entire Agreement/Assignment.** This Agreement is the entire agreement between the parties, and supersedes any and all prior agreements, understandings or communications, written or oral, between the parties relating to the subject matter hereof. This Agreement and all of its rights, obligations and licenses hereunder may be assigned by Siemens.

By signing, You accept and agree to the terms of this Agreement for Your present and future Submissions to Siemens.
